

## **Spiridon A. Theotokatos, Ph.D.**

---

### **AWISH-Hellas Professor of Agricultural Sciences (Fall 2005)**

Manager, Agroindustry Cooperative of Robola Producers of Kefalonia  
P.O. Box 59, Argostoli, Kefalonia, Greece. 28100  
Tel: 267-10-29400; +30-0-671-25655 -29400 =20; Fax: +30-0-671-24544  
Email: megainst@hol.gr; robola @ aias.gr

### **Education**

- 1994 PhD in Applied Chemistry, John Moores University, Liverpool, UK  
"Penetration studies of vapours through protective clothing systems," awarded in collaboration with the UK Ministry of Defense, United Kingdom.
- 1990 MPhil in Analytical Chemistry, Liverpool Polytechnic, UK.  
"Chromatographic studies on chemical simulants."
- 1989 BSc Honours. Applied Chemistry, Liverpool Polytechnic, UK.
- 1985 General Certificate of Education, "A" Levels, University of London, UK.
- 1981 Hellenic Apolytirion, 1st Lyceum, Kefalonia, Greece.

### **Employment**

- 2003 - General Manager. Agroindustrial Cooperative of Robola Producers of Kefalonia, Omala, Kefalonia, Greece,
- 1999 - Senior Lecturer. Technological Educational Institute of Ionian Islands, Department of Organic Agriculture, Argostoli, Kefalonia, Greece.
- 1996 - Secondary Education's College "M.E.G.A.", Argostoli, Kefalonia, Greece
- 1996 - Freelance Chartered Chemist, Argostoli, Kefalonia, Greece.
- 1996/7 Programe Director. Hellenic-German Educational Institute Ltd, Centre of Vocational Studies, Argostoli, Greece.
- 1987/8 Research Assistant. Liverpool John Moores University, Liverpool, United Kingdom. Ministry of Agriculture, Fisheries & Food, Slough Laboratory, Slough, United Kingdom.

### **Research Specialization**

Applied Chemistry; Improving the physicochemical parameters of the soil systems.  
Purification/determination of trichothecene mycotoxins and insect growth regulator residues in cereals and their products.  
Pollution of surface seawater in Kefalonia, Greece.  
Environmental and body protection against chemical warfare agents/stimulants in vapour-vapour form.

### **Professional Societies**

- 1985 The UK Royal Chemistry Society
- 1987 The Chromatographic Society
- 1989 The Society of Chemistry & Industry
- 1990 The International Adsorption Society
- 1991 The NBC Applied Science Inc.
- 1997 The Hellenic Chemistry Society

### **Scientific Literature**

- 1991/4 Abstractor for the Chromatographic Abstracts. Chromatographic Society by Elsevier Applied Science.
- 1992- Book abstractor of the Scientific Publications. Fachverlage GmbH.

### **Publications**

- 2002 "Organic Farming: Myth & Reality." Odyseeia, E. Livada (ed.).
- 2001 "The role of education in Organic farming." Odyseeia, E.Livada (ed.).
- 1989 "Garlic analysis using Chromatographic techniques, GR Lanes Health Products Ltd. UK.
- 1988 "Purification of cereals against toxins and pesticides." UK Ministry of Agriculture. Fisheries and Food, Classified Report No 1458/08/88.
- 1990 "Studies on Self Decontaminable Systems." UK Ministry of Defence, Classified Report No C2056/004/10/89/90.
- 1991 "The retention of toxic chemicals by carbanaceous materials." UK Ministry of Defense CBDE Classified Report No C2056/004/11/91.
